General Finishers to the Printing and Lithographing Trade.

PRINTERS' ROLLERS AND TABLET GLUE.

No Job is too Small for us to do!
And None too Great for Our Facilities!

WE OFFER to the world unlimited facilities for all kinds of show card and label finishing and all work required by lithographers, printers and publishers. The trade can rest assured that we are prepared to execute any work they may require, and that such will be treated with the utmost confidence, as no employee is engaged by us without a distinct understanding on this point, and no person is permitted to inspect the premises beyond the office.

Our firm has no connection with any printing or lithographing establishment, but are general finishers to the trade. We make a specialty of framing, map-mounting, varnishing, gumming, and tin mounting. Fine labels, maps, book covers and show cards are much improved by varnishing, and the work made much more serviceable for shelf and store wear. When desired we can count, pack and ship direct from our works, saving much annoyance and delay to our customers.

Work Shipped to any part of the World. See other Side. **Estimates on Work Cheerfully Given.**
